Portfolio: manthan-patel-portfolio.netlify.app

PROFILE

B.Tech Information Technology student with a strong interest in Artificial Intelligence, Machine Learning, Data Analysis, SQL, and Web Development. Interested in building practical technology solutions and applying academic knowledge to real-world problems. Currently seeking an internship or entry-level opportunity to learn, contribute, and grow as a technology professional.

EDUCATION

B.Tech – Information Technology
Vidhyadeep University
Expected Graduation: 2027

CGPA: 7.39

TECHNICAL SKILLS

- AI / Machine Learning: ML fundamentals, data-driven problem solving
- Programming: Python
- Database: SQL
- Web Development: HTML, CSS, JavaScript, Bootstrap
- Tools: Jupyter Notebook, VS Code, Git, GitHub

PROJECTS

PySentinel – Automated Log Threat Analyzer & Incident Reporter

- Developed a log-analysis solution for identifying suspicious patterns and potential security threats.
- Designed incident reporting features to make log investigation easier and more structured.
- Technologies: Python, AI/ML, Log Analysis

Skill Gap Detection System

- Developed an ML-based system to identify potential skill gaps from student learning and performance data.
- Applied data analysis concepts to identify areas where learners may need improvement.
- Technologies: Python, Machine Learning, Pandas, SQL

ACADEMIC / TECHNICAL INTERESTS

Artificial Intelligence & Machine Learning • Data Analytics • Web Development • SQL & Databases • Cybersecurity • Software Development

CORE STRENGTHS

Quick Learner • Problem Solving • Adaptability • Team Collaboration • Self-Motivated • Willingness to Learn New Technologies

CAREER FOCUS

Looking to begin a career in AI/ML, Data Analytics, Software Development, or Web Development, where I can work on practical projects, improve my technical skills, and contribute to a professional team.
